Recycled CHRISTMAS STAR Competition 2020

We are Covid safe this year, but we still want you to be part of Christmas in Urmston.

HOW TO ENTER

The competition: We need some stars to decorate our Christmas Trees. You can help! Just makes a star out of recycled materials. So have some fun and help decorate our practice window.

Size: All entries should be a reasonable size, not too big please.

Materials: You can use any recycled material. You can paint, cut stick or even cover it in glitter if you want to!

Prizes: There are two categories Key Stage 1 and Key Stage 2, each with a prize of an Amazon Fire Tablet

To Enter : Take your star with a completed entry form to our practice for a dedicated "drop off" with Olaf the snowman (Covid Safe / Outside). The drop off times are;

Friday 27th November, 3pm - 6pm

Saturday 28th November, 10am—1pm

All entries will receive a "goodie bag" and all stars will be on display in the practice window from Wednesday 2nd December.

Childrens's Art Competition

Prizes Amazon
Fire Tablets

THE COMPETITION

We would like to help local children celebrate their artistic talents. We would like them to display their skills and imagination and give everyone in Urmston something enjoyable to look at in the run up to Christmas. In return for their Recycled Star, we are providing every entry with a goody bag and a chance to win an Amazon Fire tablet.

GOOD VISION IS ESSENTIAL

Without great vision children can suffer enormous setbacks in their learning and their development of life skills. Sadly in the UK one in five children has never had an eye examination, leading to about one million children under 12 with uncorrected visual defects.

Regular eye examinations for your child are free of charge. The test is straightforward, painless and interesting. Claire, Helen and Alannah 'our Optometrists' all have children, so are experienced at putting your children at ease while carrying out a very thorough test. If your child needs spectacles we can provide these. As well as functional spectacles we have children's designer ranges such as Ray-Ban and Chloe.

HOW TO ENTER

Please see overleaf for details of how to enter the competition. The entries will be on display from Wednesday 2nd December in our practice window, for everyone to enjoy. Best of luck with your entry and we hope you have some fun. If you have any queries regarding this competition or if you would like to arrange an eye examination feel free to telephone or e-mail joanne@thomascarteropticians.co.uk.

Best Wishes

Claire
